

Think Wisconsin can do a better job protecting its Lakes? Forests? And Air Quality?

Come hear what **WISPIRG** is doing to protect Wisconsin's environment and how you can join efforts to get local representatives and senators behind these solutions.

WHAT: WISPIRG Community Meeting

WHEN: Thursday, April 13, 6:00 - 7:00 pm

WHERE: South Shore Park Pavilion, 2900 S. Shore Drive

**Special Guest: Milwaukee County Supervisor Marina
Dimitrijevic**

We'll discuss some of the environmental problems facing our state right now, WISPIRG's solutions to fix those problems, and what you can do locally to build support for Wisconsin's environment, and how we can stop development like this .

**Please forward this invitation to friends and family
members in the Milwaukee area.**
